Информация за настаняването от г-жа Aneta Jabłońska

Thank you very much for your applications for the Erasmus+ BIP. I'm delighted that such a large group of students from Bulgaria will be joining us. However, as I informed Ms Anna Karova, there won't be enough places in the student dormitory to accommodate all the students.

I recommend staying at this place, as it is the closest to the university and the most affordable option: Apartamenty Mireckiego or Apartamenty Św. Stanisława

There is also a slightly more expensive option: <https://www.hotel-dworek.pl/>

If you have any trouble making a reservation, please let me know.
