Dear Assos. Prof. Dr. Atanasova,

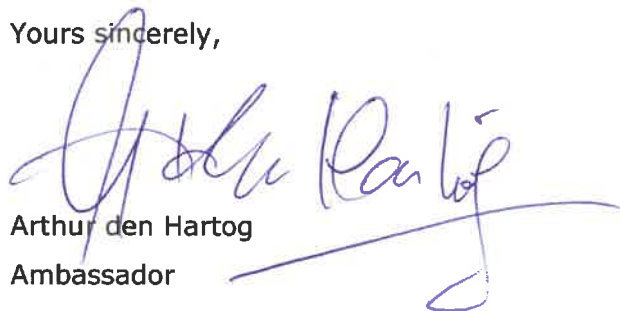

Thank you very much for the kind invitation to the SOLEMN CELEBRATION
on the occasion of the 80th Anniversary of the Agricultural University.

Unfortunately, due to other commitments, I will be unable to attend. I feel
sorry about this as I know how close the Agricultural University is
collaborating with the Embassy and various agricultural institutions from
the Netherlands.

Please extend my best wishes to all involved, I am certain it will be a great
success.

I very much look forward to visiting the University in the near future and
continuing our engagement.

Yours sincerely,

Arthur den Hartog
Ambassador
